Matthews Catholic Gospel 13:33-40

He told them another parable, 'The kingdom of Heaven is like the yeast a woman took and mixed in with three measures of flour till it was leavened all through. 'In all this Jesus spoke to the crowds in parables; indeed, he would never speak to them except in parables. This was to fulfil what was spoken by the prophet: I will speak to you in parables, unfold what has been hidden since the foundation of the world. Then, leaving the crowds, he went to the house; and his disciples came to him and said, 'Explain to us the parable about the darnel in the field.' He said in reply, 'The sower of the good seed is the Son of man. The field is the world; the good seed is the subjects of the kingdom; the darnel, the subjects of the Evil One; the enemy who sowed it, the devil; the harvest is the end of the world; the reapers are the angels. Well then, just as the darnel is gathered up and burnt in the fire, so it will be at the end of time.

Feed my Starving Lambs, an Invitation to Needleworkers, Knitters, Crochet-ers, Card makers, All Crafters...

As we are all aware, the pandemic is causing immense hardship to millions of people across the world. Here in Llandudno, as well as praying daily, we are supporting the local foodbank to ensure families in our community have enough to eat. In addition, many parishioners individually contribute to a range of charities. In many parts of the world, people are facing the stark choice of death by COVID or death by starvation as a direct result of dire poverty. Because the problem seems insurmountable, it can leave us feeling utterly helpless. Many are asking 'What can I, what can we do?' There is something concrete we can do together that will help to make a difference to one community – in Lima, Peru, Why Peru? Our Loreto Sisters' congregation (IBVM) have a mission in Lima, working in one of the parishes. We have an invitation to raise money through making things using our gifts and talents (e.g. sewing, knitting, crocheting) during these 'lockdown' weeks of January, February and March when we are confined to our homes. 'Lockdown' provides us with time that we can use creatively and usefully. In the Summer, once the lockdown is lifted and restrictions on meeting are eased, we can then gather what we have made and hopefully have a craft sale with the profits going to the Loreto mission in Lima.
