Matthew's Gospel 12: 42-48

On Judgement Day the Queen of the South will appear against this generation and be its condemnation, because she came from the ends of the earth to hear the wisdom of Solomon; and look, there is something greater than Solomon here. 'When an unclean spirit goes out of someone it wanders through waterless country looking for a place to rest, and cannot find one. Then it says, "I will return to the home I came from." But on arrival, finding it unoccupied, swept and tidied, it then goes off and collects seven other spirits more wicked than itself, and they go in and set up house there, and so that person ends up worse off than before. That is what will happen to this wicked generation.' He was still speaking to the crowds when suddenly his mother and his brothers were standing outside and were anxious to have a word with him. Someone said to him: Your mother and brothers are standing outside and want to speak to you. But to the man who told him this Jesus replied, 'Who is my mother? Who are my brothers?'⁴² On Judgement Day the Queen of the South will appear against this generation and be its condemnation, because she came from the ends of the earth to hear the wisdom of Solomon; and look, there is something greater than Solomon here.

Important information regarding Parental rights

The Curriculum and Assessment (Wales) Bill currently progressing through the Senedd will have a detrimental impact on Catholic schools and Catholic families across Wales. This Bill seeks to end the rights of parents to withdraw their children from Relationship and Sex Education and Religious Education. This is a vital right for parents, especially Catholic parents who can't send their children to a Catholic school, as it ensures these sensitive subjects can be delivered in line with Church teaching. We are asking that people write to their Members of the Senedd to ask them to halt these changes. If you visit the website link below it will produce a template letter for your MSs. All you need to do is type in your name, address and email and click submit : <http://catholiceducation.org.uk/welshparents>

Pope Francis

"From my point of view, God is the light that illuminates the darkness, even if it does not dissolve it, and a spark of divine light is within each of us."
